FISCAL YEAR 2022

COMMUNITY PROJECTS, PROGRAMS
AND SERVICES (CPPS) FUNDING

AUGUST 19TH - 7:00 – 8:30 PM

VIA ZOOM

PRESENTED BY MARYAN OSMAN,
OUR DISTRICT 9 REPRESENTATIVE

Maryan Osman, our District 9 representative, will go over the CPPS information in detail and answer your questions. Briefly, the City Council Community Projects, Programs and Services (CPPS) funding is awarded to non-profit organizations and public agencies for one-time community, social, environmental, cultural and recreational needs that serve a lawful public purpose. Funds awarded are paid on a reimbursement basis only and are at the discretion of the Council Offices.

The application process has two steps: **1) Request for Qualifications (RFQ)**, and **2) Request for Proposals (RFP)**. Virtual office hours and workshops to answer questions will be available. Please see the Fiscal Year 2022 CPPS/ACCF Funding Process Schedule and information for process details at <https://www.sandiego.gov/citycouncil/cpps>.

The Request for Qualifications (RFQ) deadline is July 30, 2021, at noon. Applicants are encouraged to submit applications and required documentation prior to the deadline to correct potential errors. The RFQ consists of the Application and documents listed at <https://www.sandiego.gov/citycouncil/cpps>. List of projects awarded funding for the past several years is also available at this link.

Council Administration will evaluate RFQs based on completeness and fulfillment of City requirements. Based on these evaluations, each applicant is designated as 1) Qualified, or 2) Not Qualified. Applicants scored Qualified and selected for funding by a Council Office will be given access to the Request for Proposals.

Not all Qualified applicants will receive funding. Funding allocations are at the discretion of Council Offices.

Be sure to inform Sean Elo-Rivera's office of your group's intention to apply for funding early in the process so you get as much assistance as possible.

This will be a Zoom meeting, while we wait for things to reopen.

**STAY CURRENT ON NEWS FOR
THE SPECIAL RECALL ELECTION
SEPTEMBER 14, 2021**

gg65325649 www.gograph.com

The County will have in-person voting locations throughout the County for four days. From Saturday, September 11th through Monday, September 13th the polls will be open from 8 a.m. to 5 p.m.

On September 14th, Election Day, the hours will be from 7 a.m. to 8 p.m. at the in-person voting locations and at the Registrar's office.

Ballots are being mailed the week of August 16th for the September 14th Election. All active registered voters in San Diego County will receive a ballot in the mail for the California gubernatorial recall election.

Voters can return their ballot in the mail, or at one of the mail ballot drop-off locations in the County, or by visiting a voting poll. If returning the ballot in the mail no postage is necessary.

If you want to vote in-person, polling places may have changed. Be sure to check the location of your assigned poll listed on your Sample Ballot or look it up.

The recall ballot will have two questions.

1. In the first part, voters have the option to vote "yes" or "no" to the question of whether to remove Governor Gavin Newsom from office.
2. In the second part, voters select a replacement candidate from the candidates list. If more than 50% of voters vote to recall Governor Newsom, then the replacement candidate with the most votes will be elected.

If voting at the polls be sure to take your mail-in ballot with you to turn in for a ballot at the polls.

Find information on a variety of topics at <https://www.sdvote.com>.

WHERE'S MY BALLOT allows you to track your ballot's trip to the Registrar of Voters.

The US Postal Service recommends you mail your ballot at least 7 days before election day.

BE PREPARED FOR ANY EMERGENCY

It is that time of year to review your emergency plans and be sure you are prepared for survival.

Following are lists of things to do, to know and plans to make from some of the experts:

Register your cell phone and email for emergency notifications with AlertSanDiego.org.

Establish an out-of-state phone contact to help reach separated family members.

Know how & where to shut off utilities:

Gas valve & wrench*

Water valve

Circuit breaker

*Do not shut off gas unless you believe a leak exists!

Listen and smell for gas.

Prevent potential hazards.

Secure tall/heavy furniture & electronics

Place latches on cabinet doors

Use flexible connections for gas appliances

Protect around your home with defensible space and fire-resistant plants and landscaping.

Make your house fire resistant.

Safeguard roof, walls, chimneys, decks, and fences.

Inspect your home for evacuation routes and potential hazards.

Make a video/list of all possessions in your home, with the make, model, and identification number of valuable items.

Review your insurance coverage. Make sure you are adequately covered to replace your home, personal property, and landscaping.

Check your smoke and carbon monoxide detectors every month, replace batteries as necessary.

Keep a battery-operated radio, with extra batteries, in your home to stay informed.

Store your home's disaster supply kit in an accessible location.

Take the supply kit with you if you evacuate.

Create a family disaster plan and on a yearly basis:

Review it;

Update it; and

Practice it with all family members.

Store coloring books, a deck of cards, board games or other items to keep family members entertained.

Learn the disaster policies of schools and care programs in which you have children and dependents.

Learn with your family about local hazards, and how to prepare for them.

Learn how and when to operate a fire extinguisher.

Keep the fuel tank in your vehicle at least half full at all times.

Know where to get information and assistance during and after a disaster.

Make duplicates of, and consider storing offsite:

Medical prescriptions

Insurance papers

Other important documents

Create, and every 6 months inspect, your Emergency Supply Kit to include:

3-7 days of food & water for each family member

A full set of clothing, including shoes and sock for each family member

Current medications

Battery-powered radio + flashlight

Working batteries

Pet supplies

Keep a pair of walking shoes and socks in your car, at work and somewhere handy in the home.
